**CERTIFICATION**

We certify that the above information is true and accurate and that we:

- will not use the above item(s) (i.e., commodities, software, and/or technology or technical data) for any purpose other than the above declared end-use;
- will not transship, divert, re-export, or otherwise transfer the above items for any purpose other than the above-declared end-use to any party other than the above declared end-user and/or those identified above;
- will not use the above item(s) or permit them to be used for any purpose connected with chemical, biological, or nuclear weapons, including weapons precursors, or missiles or unmanned air vehicles capable of delivery of such weapons, or at or in connection with any nuclear-related facilities or activities;
- will not use the above items or permit them to be used for any purposes connected with military or military intelligence end-use in or by (wherever located) Belarus, Burma, Cambodia, China, Russia, or Venezuela, including any use that supports or contributes to the operation, installation, maintenance, repair, overhaul, refurbishing, development, or production of military items described on the U.S. Munitions List (22 C.F.R. § 126.1), or items listed on the U.S. Commerce Control List (Supplement No. 1 to 15 C.F.R. Part 774);
- will not use or permit the above items to be used by any military or military intelligence end-user in or by (wherever located) Belarus, Burma, Cambodia, China, Russia, Venezuela, or a country listed in Country Groups E:1 or E:2 (currently Iran, North Korea, Syria, and Cuba; see Supplement No. 1 to 15 C.F.R. Part 740 for country group lists), including use by their national armed services (army, navy, marine, air force, or coast guard), national guard, national police, or government intelligence or reconnaissance organizations or use by any person or entity whose actions or functions are intended to support military end uses described above;
- will not allow the above items to be used in the development or production of integrated circuits at a semiconductor fabrication facility located in China or Macau;
- will not allow the above the items to be used in the development, production, use, operation, installation, maintenance, repair, overhaul, or refurbishing of a supercomputer or equipment that will be used in a supercomputer located in or destined to China or Macau (the term supercomputer is defined in 15 C.F.R. § 772.1); and
- will not violate the sanctions or embargoes of the United Nations or the United States.

In addition, we certify that neither we nor any of the parties identified on this End-Use and End-User Statement are (a) military end-users as described above; or (b) listed on the U.S. Department of the Treasury, Office of Foreign Assets Control (OFAC)'s Specially Designated Nationals and Blocked Persons List, Foreign Sanctions Evaders List, Sectoral Sanctions Identifications List, or any other list of restricted parties maintained by OFAC or the Countering America's Adversaries Through Sanctions Act List of Specified persons maintained by the U.S. Department of State (the "Sanctioned Parties Lists"). We further certify that no persons or entity on the Sanctioned Parties Lists, either individually or in the aggregate, owns 50 percent or more of the ownership interest in the above-named consignee(s) or end-user. In addition, we certify that we are not on the U.S. Department of State's Debarred List or the U.S. Department of Commerce's Denied Persons List, Entity List, or Unverified List.

If any change of circumstance occurs that would affect the accuracy of the statements contained in the above Certification, e.g., if, as a result of a change in ownership we become owned 50% or more in the aggregate by one or more persons on the Sanctioned Parties List, we will immediately notify Narda-MITEQ of the change of circumstance.
